THE ACTING CFO TSWAING MUNICIPALITY

15/11/2017

Subject: Termination of the salary of the Chiefwhip

On the 15 of November 2017 the community of ward 06 came to the municipality and demanded the meeting.

They complained about the Chief-whip who is receiving two salaries from both ANC and Council.

They consider this as corruption and request one salary must be terminated. He must choose one position therefore you are requested to terminate the salary.
