Dear Sir,

APPOINTMENT OF PETER JACOBS AS HEAD OF CRIME INTELLIGENCE

With reference to the media reports published today stating your intention to appoint Major General Peter Jacobs as your new Divisional Commissioner: Crime Intelligence.

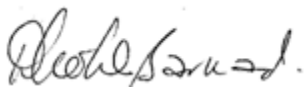
I would urge you most strenuously not to proceed with the appointment while there is still a cloud hanging over the head of Major General Jacobs.

We cannot take the chance of putting in another Mdluli.

There should be absolutely no question of the integrity of the person due to take over what is arguably the most corrupt entity within the SAPS and which as the IPID said in Parliament today, has seen 15 years of wholesale looting.

I trust you find the above in order and look forward to engaging with you in this matter.

Kind regards,



Dianne Kohler Barnard MP
DA Shadow Deputy Minister of Police
