Dear Hon Chauke

#### **REQUEST TO SUBPOENA PHONE RECORDS OF MINISTER GIGABA**

During his testimony at the above enquiry on Tuesday 09 October 2018, Minister Gigaba confirmed that he had met with members of the Gupta Family on several occasions.

When pressed for further details, his responses in my view were vague and non-committal.

As a consequence of his testimony, I take the view that the committee was unable to determine conclusively, the exact number of times that Minister Gigaba had met with members of the Gupta Family at their Saxonworld residence.

I submit that this information is significantly important in order for the committee to make a determination on the severity and existence of possible "state capture" as is required of the committee in the correspondence from Hon Frolick to conduct such a probe.

In view of the above, I write to request that Minister Gigaba be subpoenaed to make available his official mobile telecommunication devices in order to determine the number of times that it has been used within the vicinity of the Gupta Residence in Saxonworld.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'Haniff Hoosen', followed by the initials 'PP'.

Haniff Hoosen MP

**DA Shadow Minister of Home Affairs**
