

25th February 2019

Ms Heather Sonn
Board Chair
Steinhoff International Holdings NV

Dear Heather Sonn

PWC FORENSIC INVESTIGATION REPORT

It was reported in December 2018 that the PWC forensic investigation that was due to be completed by the end of December 2019 had not been completed as planned and that the investigation and report would be completed by the end of February 2019.

As it is now very nearly the end of February 2019 I write to request that you confirm that:

- The PWC forensic investigation has been completed?
- The report on the PWC forensic investigation will be submitted to your board by the end of February 2019 if it has not already been received by your board?
- The report on the PWC forensic investigation will be submitted to Parliament and by what date it will be so submitted?
- The report on the PWC forensic investigation will be made public and by what date it will be so made public?

I look forward to your swift reply in order to reassure those many South Africans affected by the Steinhoff debacle that progress is being made and that action will be taken.

Yours faithfully
