To whom it may concern,

I wish to bring the following matter to your attention and request for your attention.

On behalf of the Democratic Alliance in Moretele, I wish to request your office to institute an investigation into Moretele Local Municipality's controversial RDP housing project in Cyferskuil.

Community members allege that the allocation of housing beneficiaries is irregular.

We as the DA a paid a visit to Cyferskuil to engage community members about this RDP project. We were informed that they will continue to protest against the construction of these houses until their concerns with the housing list is resolved.

Residents also expressed frustration with other projects that were never completed. The municipality previously launched a project to connect taps to every home, which were installed, but never connected to a water source.

A paving project was announced which was said to be in phase 1, but nothing has happened since the announcement.

It is clear that there is no accountability from the municipality in terms of fulfilling and delivering on projects to uplift the community.

We request that you also investigate the other incomplete projects to ensure that there was no mismanagement or corruption.

FREEDOM. FAIRNESS. OPPORTUNITY.

LEADER: Mmusi Maimane | **CHAIRPERSON:** Athol Trollip

I trust that our request will receive your attention.

Kind regards,

Councillor Solly Magalefa
