QUESTION FOR WRITTEN REPLY

QUESTION NUMBER: 1325

DATE OF PUBLICATIONS: 25 October 2019

1325. Dr L A Schreiber (DA) to ask the Minister in The Presidency:

With reference to his reply to question 834 on 2 October 2019, what is the detailed breakdown of the amounts spent on each former principal and spouse since 1 April 2016 in terms of (a) hotel accommodation, (b) private accommodation, (c) alcohol, (d) catering, (e) entertainment, (f)(i) commercial and (ii) military flights, (g) vehicle transport and (h) security?

NW2537E

Response

Benefits applicable to Former Presidents and Former Deputy Presidents are prescribed in the Policy on the Benefits of Executive Office, dated March 2009. Benefits that are paid for from The Presidency budget in respect of Former Presidents and a Former Deputy Presidents include the following:-

- Accommodation
- Commercial flights
- Vehicle transport

The travel and accommodation are paid in accordance with the policy, as former Presidents and Deputy Presidents support government programmes inside and outside the borders of the Republic of South Africa. The benefits are irrespective of whether or not the former Presidents and Deputy Presidents are on official or private duties as they are *de facto* ambassadors of the people of South Africa.

Military flights and Security services are paid for by the South African National Defence Force and South African Police Service respectively.

The policy is in line with what obtains in comparable countries the world over.

Please find attached breakdown of the amounts spent on each former principal and spouse since 2016
