Question for written reply

QUESTION TO THE MEC FOR HEALTH

With reference to the recent launch of 48 new ambulances, we request the MEC's response on the following questions:

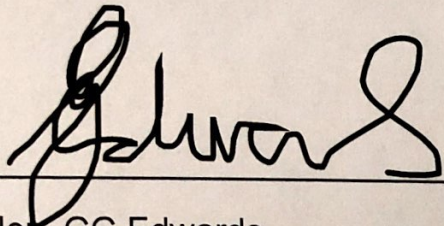

1. How many ambulances have been decommissioned in the last 24 months?
2. How many vehicles have been taken out of service due to:
 - 2.1. Aging
 - 2.2. Accidents
 - 2.3. Being unserviceable (Unable to operate due to any other reason)
3. How many vehicles (ambulances) are currently out of service due to:
 - 3.1. Accidents
 - 3.2. Mechanical Breakdowns
4. Would the MEC kindly provide a breakdown per ambulance of the financial impact as follows:
 - 4.1. Cost of each vehicle (The amount paid for the Vehicle before conversion)
 - 4.2. Cost of Conversion
 - 4.3. Which company was contracted to carry out the conversion of the vehicles?
 - 4.4. Cost of Equipment?
5. What informed the decision to procure the type (brand such as Nissan, etc) of vehicle which has been bought?

FREEDOM. FAIRNESS. OPPORTUNITY.

LEADER: Mmusi Maimane | **CHAIRPERSON:** Athol Trollip

6. After the additional vehicles have been added to the fleet, kindly provide a breakdown per region / district of the vehicle strength. How many ambulances would each region / district have in the fleet?

Yours faithfully,
