NOTICE OF QUESTIONS: MEC Ntuli

5th August 2020

Dear MEC Ntuli,

I hope that this finds you well.

In a recent article by Mukurukuru Media (<http://mukurukurumedia.co/2020/08/02/bloodbath-as-thugs-kill-over-30-emerging-black-farmers/>) serious concerns were raised about the killings in the eMangweni village of KwaZulu-Natal.

In the context of the above I pose the following questions:

- 1) Is the Department of Community Safety aware of this issue?
 - 1) If yes, for how long?
- 2) Has the Department intervened in any way?
 - 1) If yes, how?
 - 2) If no, why not?
- 3) Have any arrests connected to the killings been made?
 - 1) If yes, how many? (How many have been prosecuted)
 - 2) If no, why not?
- 4) Does the Department have information on the cause of these killings?
 - 1) What has been identified as the cause?
- 5) What will the Department be doing to ensure the safety of local farmers and community members going forward?

I look forward to hearing a response to these questions.

Kind regards

Christopher Pappas MPL
B. Town and Regional Planning
Member of the Agriculture and Rural Development Committee
