INVESTIGATION 'DPCI'**

**Regarding**

**BRIGADIER HANGWANI MULAUDZI  
&  
THE HANGWANI MULAUDZI FOUNDATION**

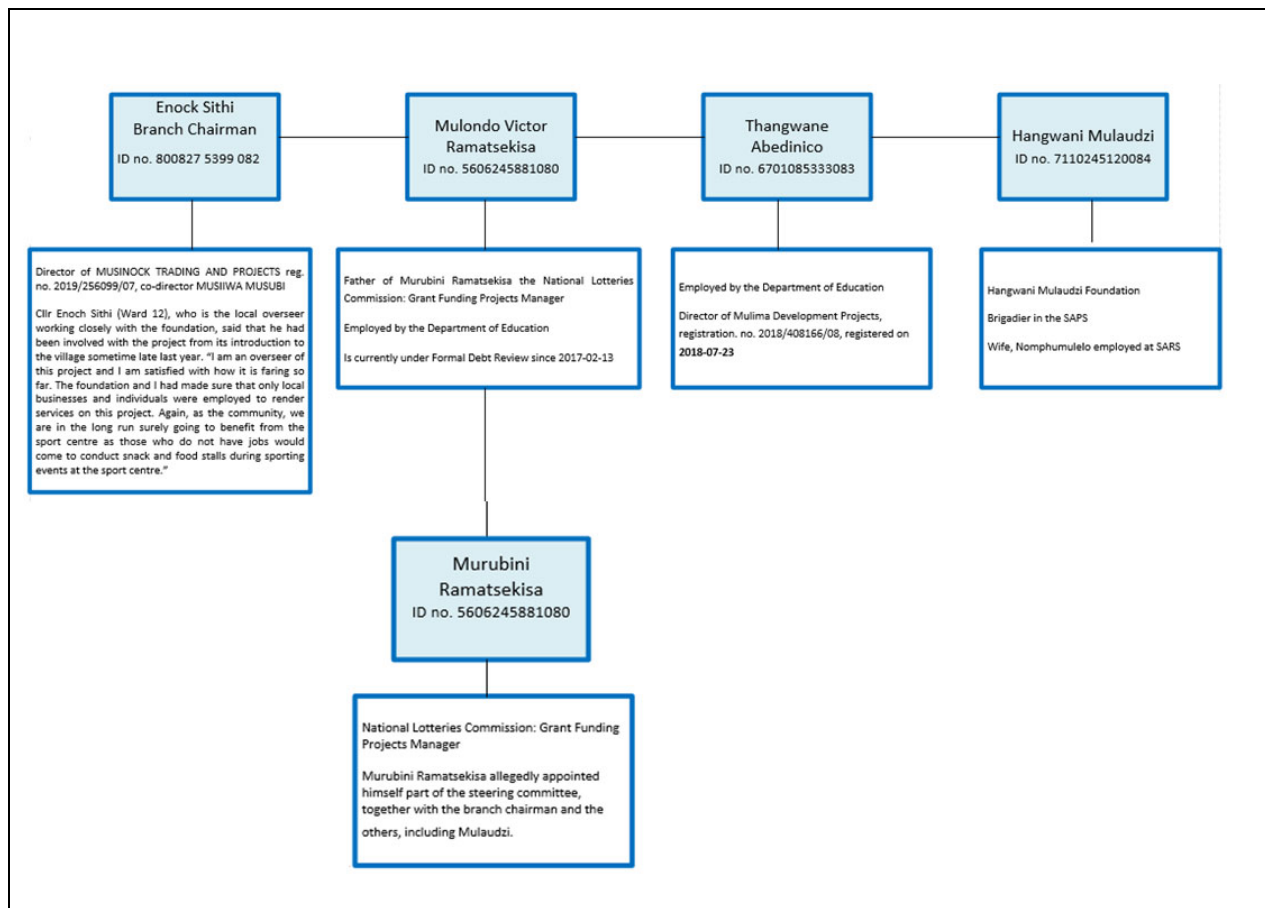

## INTRODUCTION

Forensics for Justice is a registered not for profit organisation with NPC No. 2015/25962/08, carrying out public interest work for the betterment of the people of South Africa. Our main focus is to expose corruption (see [www.forensicsforjustice.org](http://www.forensicsforjustice.org)). We acknowledge the provision of Forensic Services by Paul O’Sullivan & Associates.

Paul O’Sullivan, Founder of Forensics for Justice, hereby requests the DPCI to carry out a thorough investigation into the below allegations concerning Brigadier Hangwani Mulaudzi.

## RELEVANT NELSON MANDELA BRANCH of ANC (LIMPOPO) MEMBERS

We specifically refer to the below 4 members:

Tip-off received:

Murubini Ramatsekisa (Lotteries Commission employee – see above) allegedly appointed himself part of the steering committee, together with the branch chairman and the others, including Mulaudzi, who is a member of the same ANC Branch.

Denzhe Trust was used as the ‘vehicle’, whereas the local ANC branch were supposed to ask the community to elect a small steering committee. (NB: Forensics for Justice, could find no trace of a ‘Denzhe Trust’)

The self-appointed committee ‘consulted’ with the Chief, Chief Mashamba, but it wasn’t a proper consultation, they just told him that they were going to get some money and make a sports facility, near Tshikhuthula Secondary School. When the Chief asked how much they were going to spend, they said they did not know.

Money was channelled to Thomas Thangwane, a brother to Abedinico Thangwane to buy a taxi which is written up as ‘Sejobe Taxi’ – he does not have contact or ID for Thomas
