Dear Hon Hlengwa,

RE: INVITATION TO SAA FOR BRIEFING ON DEVELOPMENTS

Your letter with the above mentioned subject bears reference.

I have accordingly engaged with the SAA Business Rescue Practitioners and we kindly request for postponement of this meeting to another date, preferably, the week commencing 26 October. This will enable SAA to first focus on securing the requisite funding and the implementation of the adopted business rescue plan and ultimately report back to the Committee.

Your favorable consideration will be highly appreciated.

Regards,
