

NATIONAL ASSEMBLY NOTICE OF MOTION

Internal Ref Number: 001 - 2022

Date: 14.02.2022

Member: The Leader of the Opposition

Motion:

I hereby move on behalf of the Democratic Alliance that this House;

1. Notes that numerous Members of the Executive have been implicated in a startling number of governance failures, acts of alleged corruption and maladministration since 29 May 2019;
2. Recognises that the startling number of governance failures have resulted in the collapse of service delivery in some government departments, while others have led to the complete dereliction of duty by some Members of the Executive;
3. Acknowledges that several Members of the Executive who have been implicated and found responsible for the governance failures, acts of alleged corruption and maladministration have not been held accountable for their actions nor faced any real consequences, as the interests and loyalties of those in the governing party to which most of them belong are placed above those of the Republic;
4. Further acknowledges that a recent damning report found that widespread infighting between some Members of the Executive, most notably those in the Security Cluster, directly contributed to the severity and prolonging of the July 2021 civil unrests;
5. Recalls that some Members of the Executive who have been found to have committed egregious acts in contravention of their Oaths of Office have simply been redeployed to another government department or entity, which undermines efforts to build a capable State;
6. Resolves, in terms of section 102(1) of the Constitution of the Republic of South Africa, 1996, that it has no confidence in the current Cabinet, and calls on the President of the Republic, Mr M C Ramaphosa, to reconstitute the Cabinet.

I so move.
