Dear Minister De Lille,

**RE: PHALA PHALA SECURITY UPGRADES**

As you are aware, there have been allegations of a theft of large sums of money from President Cyril Ramaphosa's farm, Phala Phala, located in Limpopo.

Please could you urgently advise if there have been any security upgrades to the Phala Phala Farm undertaken by the Department of Public Works since President Ramaphosa took office.

If there have been any upgrades, please could you provide details of the costs of the work done and any details that would not compromise the security of the site.

I look forward to your response.

Yours sincerely,

**SAMANTHA GRAHAM-MARÉ, MP**  
**SHADOW MINISTER:**
