

142. Hon. R Jankielsohn (DA) asks the Hon. MEC responsible for PR&T: Mr. W Bulwane.

In view of the allocation of vehicles from the Department to Members of the Executive Council

1. When did each MEC last receive a new vehicle?
2. What was the make and model of each of the vehicles last allocated to the respective MEC's?
3. What was the cost of each of the vehicles last allocated to the respective MEC's?
4. Will any of the MEC's will be receiving new vehicles in the new financial year 2022/23? If so: (a) which MECs, (b) what amounts have been budgeted for each respective vehicles, (c) what makes and models of vehicles will be purchased and (d) what are the reasons for the replacements in each respective case?

NO RESPONSE

Converted to Oral: 23/06/2022. No. 1

RESPONSE 20/06/2022

Each MEC received new vehicles October 2021

The Department bought 7 BMW 5 series, of which one is for relieve and the other 6 were given to MEC's. Furthermore, the Department also bought two (2) Audi Q5 which was then allocated to (MEC Public Works and MEC Social Development).

As guided by the instruction Note 6 of the National Treasury and Ministerial handbook, the threshold for procurement of vehicle is R800 000.00. Therefore, all vehicle was procured through the National Treasury RQ 57.

(a) which MECs, / **NONE**

As guided by the instruction Note 6 National Treasury and the Ministerial handbook no procurement is allowed for more than R800 000.00

It depends on what MEC's prefers, but it should within the threshold.
