The Speaker
Honourable N.N. Mapisa-Nqakula

Dear Madam Speaker

I was enchanted to see a media report about the purchase of two new BMW motor cars by your office. Parliament's spokesperson Mr Moloto Mothapo is quoted as saying;

"The fleet is at the disposal of presiding officers, MPs, staff and guests who need to travel around Cape Town on Parliament related business"

This is why I am writing to you. My car desperately needs a service as it has not had once since the start of lockdown (you may have noticed the dusty brown one parked in the corner on the bottom level of the garage). This will mean I don't have a vehicle next week on Wednesday when I have two meetings to go to with people in Cape Town.

May I please book one of the BMWs for use next Wednesday morning, I think we can agree that my requirements fit the description above as I am an MP and my meetings are both Parliament related business.

Yours faithfully

James Lorimer
