**Re: Request for skills audit for all municipal workers starting, from Admin up to the Municipal Manager**

Dear Mr ZG Dlamini

I hope this letter finds you well.

After rumours surfaced around qualification of the Municipal Manager, We are now calling for an investigation to test the authentic of your qualifications. We further calling for the skills audit, starting from the admin clerks to the management of the municipality.

The Democratic Alliance remain as the party that believes and grounded in accountability, clean governance and transparency. As the Democratic Alliance We request your good office to initiate the investigations/skills audit.

We send this request in good faith and have no doubt that you will appreciate the seriousness of it and accede to this reasonable request.

Thank you.

Yours in community development,

**DA Chief Whip**

Cllr Swelakhe Shelembe
