Dear Hon Hlengwa,

REQUEST FOR POSTPONEMENT OF THE SAA/TAKATSO DEAL UPDATE

Your correspondence dated 25 October 2022 relating to the above-mentioned refers:

Please note that late this week, I was requested by the President, to accompany him on a State Visit to Kenya, from the 8th to 9th November 2022. This will clash with your planned meeting, at which I would have wanted to be present. As you know, the transaction is being led by the Department of Public Enterprises. I am therefore requesting a postponement so that I can attend on my return from Kenya.

The cooperation of the Committee will be greatly appreciated.

Regards,
