Dear Minister Cele

I am certain that you are aware of the outbreak of gang related killings in Nelson Mandela Bay over the past few days.

It is clear that District and Provincial resources are inadequate and that this violent outbreak which is terrorising communities must be arrested with urgency.

I would therefore like to request that you engage with the National Police Commissioner to deploy national resources from the Tactical Response Unit, Public Order Policing Unit and the National Intelligence Unit in order to decisively crack down on this violence.

I look forward to your urgent response.

Regards
