Mr.Thami Manyathi, good day.

As a concerned eThekweni councillor member who represents thousands of people in our community, I am writing to you.

It has been alleged that the EFF benefited from Municipality buses to transport their supporters from uMtubatuba, Phogola and Vryheid to FNB Stadium in Johannesburg for their 10-year anniversary celebration this past, at a cost to the municipality.

The DA wants to know if indeed municipal buses were utilised to transport EFF members from across the province furthermore we want to know if these buses were paid for by the EFF because the allegations are such that the buses were given to the EFF free of charge. We therefore ask that this be thoroughly investigated by your office and a report should be made public.

Regards
