Re: Service delivery concerns of Greater Taung, Ward 20 residents

Dear MEC Maloyi

Your office has, over the past five (5) months received communication from the Ward 20 Peoples Forum/Communities in Greater Taung regarding the ongoing service delivery collapse in the ward as well as the unacceptable conduct by the ward councillor, Mr Itumeleng Maribe.

I have engaged with the said Forum and wish to draw your attention to the desperate need for intervention in this matter. The Forum has accused councillor Maribe of failing to address the terrible conditions of the access roads across different villages in Ward 20, the destruction and vandalization of RDP houses, and the cadre deployment in the recruitment of EPWP workers.

The Greater Taung Executive Mayor, councillor Tumisang Gaoraelwe and the Speaker, Councillor Grace Moipolai, have been accused by the Forum as being by-standers and allowing councillor Maribe to get away with his alleged corruption, arrogance and disrespectful conduct.

The Forum submitted several letters, including a memorandum to the office of the Premier on 28 June 2023, and to you and MEC requesting intervention in the

alleged corruption, nepotism, and cadre deployment at the hands of councillor Maribe.

When will be the MEC respond to the letters and memorandum submitted by the Ward 20 Peoples Forum?

Kind regards

ISAAC SELLO SEITLHOLO MP
