Subject:	Request to investigate contract RDM2020/030A – Temporary Call Centre

Dear Mr Ndou,

We request an investigation contract RDM2020/030A for the establishment of a temporary call centre in Vryburg, in the Dr Ruth Segomotsi Mompoti District Municipality, North West.

Our preliminary investigations indicate that:

- The project was facilitated by municipal officials without a Council Resolution;
- The project is unfunded;
- A payment of R4,5 million was facilitated in February 2023;
- That officials are attempting to secure funding for this project out of budgets of preceding financial years which have closed and been subjected to audit.

The information at our disposal indicate that this is a case of tender fraud and that the project is unlawful and warrants an investigation to ensure that implicated public office bearers and municipal officials are identified, charged, prosecuted and that all funds paid under this contract are recovered in full.

We look forward to your positive response.
