Subject:	Urgent Council Meeting to consider contract RDM2020/030A – Temporary Call Centre

Dear Speaker,

We request that you convene an urgent Special Council Meeting to consider contract RDM2020/030A for the establishment of a temporary call centre in Vryburg, in the Dr Ruth Segomotsi Mompoti District Municipality, North West.

Our preliminary investigations indicate that:

- The project was facilitated by municipal officials without a Council Resolution;
- The project is unfunded;
- A payment of R4,5 million was facilitated in February 2023;
- That officials are attempting to secure funding for this project out of budgets of preceding financial years which have closed and been subjected to audit.

The Executive Mayor and the Municipal Manager should present to Council at this meeting a detailed report on this project, inclusive of all elected public office bearers and municipal officials who facilitated this project.

The report to Council should indicate specifically:

- Who authorised the project;
- The number of bids received;
