**RE: NOTICE OF NON-PAYMENT OF SALARIES FOR DECEMBER 2023 AS WELL AS JANUARY AND FEBRUARY 2024**

---

Colleagues

You are hereby informed of a likelihood of non-payment of salaries for the months listed above.

This situation is brought about by the fact that the Municipal Workers Retirement Fund (MWRF) approached the Free State High Court with an intention to be granted an order to attach and subsequently garnish the funds in all municipal accounts.

You are therefore advised to inform all your creditors accordingly.

We regret to share such depressing news, especially at the time like this.

Thanking you in advance.

Adv. MF Lepheana

Acting Municipal Manager
