SUBJECT: Court order – temporary procurement of six truck

Dear Madam

On Friday 15 March 2024, the City of Matlosana received a court order stating that the municipality must immediately implement the necessary steps to urgently procure temporary refuse trucks to deliver services to the community.

Residents have been denied refuse services for months now.

We, as the DA, request that you please table a status report in the Council meeting on Tuesday, 26 March 2024, on the temporary rental of six trucks as indicated in the court's interdict. We also would like to apply to have access to the evaluation and adjudication documentation as requested by the High Court.

I trust that you will understand the importance of the above requests and that you will use your authority to ensure that residents receive the services they are entitled to.

Kind regards

Councillor Johannes le Grange
