UQoqosho oluKhulayo, nolubandakanyayo oludala imisebenzi

ISIBHAMBATHISO SOKUQALA: Ukudala imisebenzi emitsha eyi-800 000.

Ngelixa uqoqosho lo-Mzantsi Afrika lubuyela emva kwaye abantu abaninzi bephulukana nemisebenzi yabo, uqoqosho lwaseNtshona Koloni luyakhula kwaye kudaleka imisebenzi. INtshona Koloni inelona zinga liphantsi labantu abangaphangeliyo eMzantsi Afrika, lwehle nge-2.2 yepesenti ukusuka kwikota yesine ka-2022 ukuya kwikota yesine ka-2023.

Kule minyaka mihlanu idlulileyo, iphondo lenze elona galelo likhulu kwingqesho (78.9%) eMzantsi Afrika – oku kuthetha ukuba phantse imisebenzi emine kwisihlanu edaliweyo kweli lizwe yadaleka eNtshona Koloni.

Lo ngumahluko phakathi kwendlela ye-ANC 'ekhokelwa ngurhulumente' ekudaleni amathuba emisebenzi kunye nendlela ye-DA 'yokukhulisa' nokudala imisebenzi. Ukungakwazi kukaRhulumente weSizwe ukuvelisela izigidi zezigidi zemisebenzi kubangelwa yinkolelo yokuba urhulumente kufuneka aqeshe abantu ngokuthe ngqo. Ngokwahlukileyo koko, i-DA ikholelwa kutyalo-mali lwezoqoqosho ukuze amashishini akhule kwaye adale imisebenzi yokwenyani, ezinzileyo.

URhulumente weNtshona Koloni ubhengeze iGrowth For Jobs Strategy ngoJuly 2023. Esi sicwangciso-qhinga sijonge ukukhusela nokukhula koqoqosho oluphakathi kwe-4% ne-6% ngonyaka, nto leyo ekhokelela kuqoqosho lwephondo oluzitriliyoni zeerandi ngowama-2035 nokudalwa koqoqosho olutsha oluqikelelwa kuma-800 000 yamathuba engqesho.

Olu hlumo lunokwenzeka ngenkcitho karhulumente kwiziseko ezingundoqo ezivumela amashishini ukuba aphumelele nokudala imisebenzi. Kule minyaka mithathu izayo, uRhulumente weNtshona Koloni uza kutyala imali ezibhiliyoni zeeRandi ezingama-32.12 kwii-asethi ezisisigxina, iiprojekthi ezikhuthaza ukukhula kunye neziseko zophuhliso lwezolimo.

IsiXeko saseKapa senza utyalo-mali kwiziseko zophuhliso ngesantya esidlula kude nawuphi na uMasipala ombaxa. Kule minyaka mithathu izayo, esi sixeko siza kutyala imali ezibhiliyoni ezingama-40 zeeRandi, ephantse ilingane neRhawuti naseThekwini zidityanisiwe. Okumangalisayo kukuba, iKapa libalelwa kwi-60% epheleleyo ye-R100 yeebhiliyoni kwiiprojekthi zeziseko ezingundoqo ezibhengezwe ngo-2023.

INtshona Koloni inothungelwano lwendlela olulondolozwe kakuhle, urhulumente wephondo utyala imali eninzi kwiziseko ezingundoqo zeendlela ngaphandle komasipala ombaxa. Kulo nyaka uzayo, urhulumente wephondo uza kuchitha ngaphezulu kweebhiliyoni zeeRandi ezi-2.1 ekugcinweni nasekuphuculweni kweziseko ezingundoqo zeendlela kwiindawo ezibalulekileyo ezifana neDrakenstein, iMalmesbury, iGeorge ne-Overstrand.

INtshona Koloni yeyona ndawo ilungileyo yokushishina kweli lizwe. Phakathi kuka-Meyi 2019 no-Matshi 2023, ungenelelo olwenziwa yiYunithi yokuNcitshiswa kweRed Tape kaRhulumente weNtshona Koloni lubone ukongiwa kwe-R2.4 yeebhiliyoni kuqoqosho lwephondo. IPhondo Elikhuselekileyo

ISIBHAMBATHISO SESIBINI: Ukulwa ulwaphulo-mthetho ngamagosa ogcino-mthetho ali-1 300, amacandelo oKhuseleko lwaseMaphandleni kunye neeyunithi ze-K9.

Iinzame zorhulumente wephondo zokunciphisa ulwaphulo-mthetho zikhokelwa siSicwangciso soKhuseleko seNtshona Koloni, (Western Cape Safety Plan) indlela esekelwe kwiinkcukacha-lwazi, yobungqina bokujongana nolwaphulo-mthetho. Oku kwazisa izicwangciso-qhinga zomsebenzi wamapolisa kwaye kuqinisekise ukuba izibonelelo ezinqongopheleyo ezikhoyo kuRhulumente weSizwe zisetyenziswa ngcono.

Inkqubo yesiCwangciso soNyanzelisa uMthetho (LEAP), ngentsebenziswano neSixeko saseKapa, yaqala ngo-2020 namagosa ogcino-mthetho angamakhulu amahlanu (500) athe atyalwa kwiindawo ezine eziphambili. Ukususela ngoko iye yandiswa yaya kutsho kwiindawo ezingundoqo ezili-13, kumiselwe amagosa e-LEAP ali-1 300. Ubuchwephesha obutsha obufana nobuchwepheshe bokuva izithonga zemipu kunye ne-'Eye-in-the-sky' (ukubona ubugebenga emoyeni) ziye zaziswa ukuqinisa ukusebenza ngempumelelo kwemisebenzi ye-LEAP.

Ukuza kuthi ga ngoku, amagosa e-LEAP abambe ngaphezulu kwama-27 000 kwaye athatha ngaphezulu kwe-554 yemipu engekho mthethweni ezitalatweni. Kubekho ukuhla okuqaphelekayo kwi-avareji yenani lolwaphulo-mthetho oluxeliweyo ukususela oko kwaphunyezwa i-LEAP. Amacandelo oKhuseleko lwaseMaphandleni kwiPhondo ajikeleza kumasipala waseSwartland nowaseOverstrand, kunye neeyunithi zeK9 kwingingqi yaseSwartland, Overstrand kunye neMossel Bay. Ukongeza koku, ngoku kukho ama-477 avunyiweyo aBalindi boBumelwane ephondweni, abaquka ama-14 632 ajikelezayo.

Olu tyalo-mali kubasebenzi abongezelelweyo ibonisa iziqhamo ezintle. Uphando oluzimeleyo lwe-Institute for Security Studies lubonisa ukuba kumaphondo amane avavanyiweyo - Gauteng, Mpuma Koloni, KwaZulu-Natal kunye neNtshona Koloni – iNtshona Koloni kuphela kwephondo apho

ukubulawa kwabantu kwehlileyo kule minyaka mihlanu idlulileyo.

Ukuthintela ulwaphulo-mthetho phambi kokuba lwenzeke, uRhulumente weNtshona Koloni uye waphumeza iYunithi yoThintelo loBundlobongela (Violence Prevention Unit) (VPU), ejonge ukulungisa oonobangela bolwaphulo-mthetho. Ibandakanya abathathi-nxaxheba abavela kurhulumente wonke kunye noluntu ngokubanzi bejolise kwimimandla ethile efuna uthotho longenelelo loluntu. Ngokusekwe kwiModeli yaseCardiff yoThintelo loBundlobongela, iinkcukacha ezisuka kumaziko ezempilo ephondo zikwasetyenziselwa ukuxhobisa ngezakhono zokulwa ulwaphulo-mthetho nothintelo.

Ukongeza, kule minyaka mithathu izayo uRhulumente weNtshona Koloni uza kuvavanya amatyala angama-15 000 abantwana abangquzulana nomthetho kwaye unenjongo zokuphumelela kubathathi-nxaxheba a bangaphezu kwe-16 000 kwiinkqubo yezoluleko. IChrysalis Academy iqhuba inkqubo yokuhlala yeenyanga ezintathu yabantu abatsha abasuka kwiindawo ezikude njengaseBeaufort West naseMossel Bay. Inkqubo yeenyanga ezintathu ibandakanya izakhono zobomi, ixesha elichithwe ngaphandle, kunye nokuqeqeshwa komsebenzi kunye nokulungela umsebenzi ngaphezu kokunyamekela unyango olujoliswe ekuxhaseni ulutsha kwinqanaba le-psycho-social.

Ukulwa uNtshona obusekelweni (Gender-based violence) (GBV), uvesi we Koloni kutsha nje uvul' uvullum olutsha amatsha amahlanu e-GBV, lonto izise inani lendawo ezilungiselelwe abantu abacatshazelwe yi-GBV ku-26 kwiphondo. Ikwaphehlelele kutsha nje imodeli kanozakuzaku we-GBV eMalmesbury naseDelft. Aba nozakuzakuzaku ba okwazi ukwazisa ngolwazi malunga nengcaciso yokuseta ingcaciso yengxoxo kunye neenkonzo ezithi ekuzogcisa ukubeka i-GBV.

Ukupheliswa Kocimicimi wombane

ISIBAMBISO SESITHATHU: Ukuhlisa ukucinywa kombane ngamabakala amane.

URhulumente weSizwe usilele ekuqinisekiseni unikezelo lombane oluthembekileyo ngenxa yokunyanzelisa imodeli yakudala yokuvelisa umbane okhokelwa ngurhulumente. Ucimicimi sisiphumo esithe ngqo soku kuthembela kurhulumente kazwelonke orhwaphilizayo nongakwaziyo ukulawula.

Isisombululo kwingxaki yombane eMzantsi Afrika kufuneka siphume ekwenyukeni kokuveliswa kombane ngaphandle kwe-Eskom. Ukuvumela ababoneleli babucala ukuba bavele kwaye kuvumelwe ukhuphiswano, ngaloo ndlela kuphuculwe inkonzo, ukwandisa unikezelo kunye nokwehliswa kwamaxabiso ombane.

Ukujongana nentlekele yokungabikho kombane , iBhunga lezaMandla eNtshona Koloni lasekwa ekupheleni kuka-2022. Ibhunga liqulunqa, liququzelela, kwaye liqhuba indlela yephondo yokunciphisa kwaye ekugqibeleni kuphele ukucinywa kombane.

INkqubo yeNtshona Koloni yokuBuyisa umbane (Western Cape Energy Resilience Programme) iza kwenza iphondo linciphise ukuxhomekeka kwalo ku-Eskom kumandla ombane, kwaye eli phondo sele lisendleleni eya ekubeni liphondo lokuqala elingacimekiyo kumbane kweli lizwe. Malunga neebhiliyoni ezisi-7 zeeRandi eza kuchithwa kule minyaka mithathu izayo ngurhulumente wephondo noomasipala ukwenza ukuba iNtshona Koloni ikwazi ukumelana nombane.

Inyathelo likaMasipala lokuZinzisa amandla ombane liphuhlisa kwaye lixhobisa oomasipala kwiphondo liphela ukuze baphumeze iiprojekthi zombane ohlaziyekileyo onezisombululo. Eli nyathelo ukuza kuthi ga ngoku libone isicelo esiyimpumelelo solwazi oluvela kwiiprojekthi ezingaphezu kwe-100 ezinokubakho zokuvelisa umbane. Ngama-2 000 eeMW asele ethengisiwe, nangaphezulu kuphuhliso, iphondo lisendleleni eya ekufezekiseni injongo yalo yokuvelisa ama-5 700 MW zombane ngo-2035.

IsiXeko saseKapa esilawulwa yi-DA siza kakuhle apho sijolise khona ekukhuseleni abathengi baso kwizigaba ezine zokuqala zokucinywa kombane ngo-2026. Kulo nyaka uzayo, isixeko siza kuchitha izigidi ezingama-R480 kukhuseleko lwaso ol-unezigaba ezine isicwangciso, esiquka i-R82.4

yezigidi zeerandi kwinkqubo yokulawula imfuno ye-Power Heroes, i-R377 yezigidi kwiziko lombane i-Steenbras Hydro, kunye ne-R31 yezigidi ekuphuculweni kwenkunzi ukuze kuqhutyekwe nokwandisa amandla okukhuselwa kombane eSteenbras.

Kule minyaka mithathu izayo, isixeko siza kuchitha imali eqikelelwa kuma-722 ezigidi zeerandi ekuthengeni umbane ngokuzimeleyo, kubandakanywa amandla ombane athunyelwayo aza kugalelwa ngamaxesha izinga lukusetyenzisa kombane liphezulu kunye neebhiliyoni zeerandi ezine ekuphuculeni nasekugcineni iziko lombane lesixeko lisemgangathweni– eyona nxalenye ibalulekileyo yezicwangciso kukuba isixeko singaxhomekeki ndawo sikwazi ukuzimela.

URhulumente weNtshona Koloni ubeke i-R89 yezigidi zeerandi koomasipala ukuqinisekisa ukuba iziseko ezingundoqo zamanzi nogutyulo ziyasebenza ngexesha lokucinywa kombane. Ukongeza, amaziko ezempilo ali-195 anomthamo wejenereyitha ukuze aqhubele phambili neenkonzo ezibalulekileyo ngexesha lokucinywa kombane, iikliniki ezingama-shumi mane anesixhenxe (47) zigqibe ukufakelwa i-inverter kwaye izibhedlele ezili-shumi (10) zihlangulwe ekucimeni kombane ukuya kutsho kwiNqanaba lesi-thandathu (6). URhulumente weNtshona Koloni unikezele ngeepakethi zoncedo zokucinywa kwemithwalo ezingama-3 996 (izisombulu-lo zokukhanyisa nokutshaja) ukunceda abantu abakhubazekileyo, abantu abadala, kunye namaxhoba obundlobongela obusekelwe kwisini.

Umlo waMagunya amaPhondo athe xaxa

ISITHEMBISO SESINE: Ukutyhala ulawulo lwamapolisa, ezothutho namazibuko.

Oorhulumente kulo lonke ilizwe bakwimeko yokuwohloka. URhulumente weSizwe ubonakalise ukuba akakwazi kuzalisekisa kwanele yesisiseko imisebenzi yakhe, nto leyo eneziphumo ezixhalabisayo kubemi baseNtshona Koloni. Omnye weyona miqobo mikhulu kwiinkonzo ezingcono eNtshona Koloni kukuba imisebenzi ethile, efana nobupolisa, ezothutho (kuquka uloliwe wabakhweli kunye noo-loliwe bemithwalo) namazibuko, iqhutywa nguRhulumente weSizwe.

Lixesha lokuba abahlali baseNtshona Koloni balawule le misebenzi ichaphazela ubomi babo. Oku kunokwenziwa ngokunikezela la magunya koorhulumente bamaphondo nabasekhaya, abanesakhono sokwenza umsebenzi ongcono kunoRhulumente weSizwe.

Yiyo le nto iDA inyanzelisa ukuba kuwiswe umthetho oyilwayo wamagunya eNtshona Koloni kwindlu yowiso-mthetho yephondo (Western Cape Powers Bill). Injongo yalo Mthetho osa Yilwayo kukuxhobisa uRhulumente weNtshona Koloni olawulwa yiDA ukuba alungise oko kwaphulwa nguRhulumente weSizwe olawulwa yi-ANC, edala indawo ekhuselekileyo nenempumelelo ngakumbi kubahlali baseNtshona Koloni.

Eyona njongo ingundoqo kukuthathela kuyo imisebenzi yeNkonzo yesiPolisa yaseMzantsi Afrika eyasilelayo kwiphondo, kunye nokukhokela izixhobo zokusebenza kwezobupolisa kwiindawo nongenelelo apho zifuneka kakhulu. Oku kuya kusondeza ukuthotyelwa komthetho kwaye kuvumele izicwangciso zamapolisa asekhaya ajongane nemingeni ehlukeneyo kweliphondo.

I-DA ikwaqhubela phambili kwaye ilungiselela ukuhanjiswa koololiwe. Kukho imfuneko emandla yenkonzo kaloliwe efikelelekayo, ekhuselekileyo nethembekileyo kubakhweli basezidolophini. Iinkonzo eKapa ziwile ngenxa yokungakwazi kuka Rhulumente weSizwe ukuyiqhuba kakuhle. Uphononongo loKwenziwa koMsebenzi kaLoliwe lwesiXeko saseKapa lufumanise ukuba inkonzo

kaloliwe yabakhweli esebenzayo iza konga amakhaya anengeniso ephantsi ukuya kutsho kuma-R932 ezigidi, igcine imisebenzi engaphezu kwama-51 000 ize yongeze i-R11 yeebhiliyoni ngexabiso kuqoqosho lwasekhaya nyaka ngamnye.

Amazibuko, ingakumbi iZibuko laseKapa, afuna ukuhlangulwa ngokukhawuleza kuRhulumente weSizwe.
