SUBJECT: RETRACTION OF GRADE 12 LIFE ORIENTATION PROJECT

Dear District Directors

This memo serves to inform you about a recent decision regarding the Life Orientation project that was assigned to Grade 12 learners.

After careful consideration and discussion with relevant stakeholders, it has been decided to retract the Life Orientation project titled: **Poor access to clean water**. This decision stems from concerns raised regarding the potential influence on learners' voting behaviour as certain elements could be interpreted as advocating for specific political views or influencing learners' voting decisions.

RETRACTION OF GRADE 12 LIFE ORIENTATION PROJECT

Therefore, in the interest of upholding our commitment to promote a healthy learning environment, it has been decided to retract the Life Orientation project.

An alternative project will be shared with all schools soon. We apologize for any inconvenience caused and appreciate your understanding in this matter.

Your cooperation in this matter is appreciated.

Regards,

MS FLORENCE NXUMALO

DIRECTOR: FET CC
