Honorable Minister

**REQUEST FOR URGENT INTERVENTION: WATER SHORTAGES IN MISGUND,  
KOUKAMMA LOCAL MUNICIPALITY**

Your written reply to Question 219 (NCOP Internal Question Paper No 10-2024) refers.

As set out in my previous questions to you, residents of Misgund in the Koukamma Local Municipality are without water for household purposes for a very long period of time.

In your abovementioned reply, you pointed out that the Department is implementing the Misgund Bulk Water Supply Project to ensure sustainable water provision for the area, and that progress of the project is at 99%.

Due to the slow progress of the abovementioned project, residents are still left without residential water supply, and water is being trucked in from Joubertina, which is not the most suitable or ideal situation.

I herewith request your immediate and decisive action to resolve this humanitarian crises, and further request that you provide a clear timeline for the completion of the Misgund Bulk Water Supply Project, as well as a clear commitment from your Department to prioritize the urgent water needs of the Misgund community.

Kind regards

**JHP BRITZ MP**
