Dear Ms Imogen Mashazi

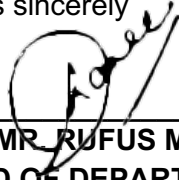

SUBJECT: OUTSTANDING MUNICIPAL ACCOUNTS FOR ALL SECTION 20 SCHOOLS-COMMITMENT LETTER.

This letter serves as an acknowledgement of debt owed by the Gauteng Department of Education for Section 20 public ordinary schools to City of Ekurhuleni Metropolitan Municipality. However, we are currently unable to settle the outstanding payments for all section 20 schools due to financial constrain. We therefore commit to start paying off the outstanding arrears on or by the end of 15th April to June 2025.

It is not the intention of the Department to inconvenience the municipality, and we request that all disconnections be halted and all the disconnected schools be reconnected.

We trust that you will accept this commitment in the interest of our learners as disconnection of services may impact negatively to the functioning of schools.

Yours sincerely

PP - MR. RUFUS MMUTLANA
