Dear MEC Williams

RE: PROPOSED OVERSIGHT ON WATER OUTAGES IN WESTERN SUBURBS OF  
BUFFALO CITY METROPOLITAN MUNICIPALITY

As per our Legislature plenary session held on the 26<sup>th</sup> of February 2025, I delivered a members' statement highlighting the water outages on the western areas of Buffalo City Metropolitan Municipality, these areas including but not limited to Kaysers Beach, Kidds Beach and Ncerha Villages 2, 3 & 4. After the statement, a commitment was made by yourself as the MEC for Cooperative Governance and Traditional Affairs to further engage on the matter and work together to resolve the challenges.

In the spirit of co-operative governance following your commitment, I would like to propose that we conduct a joint oversight with your office to the affected community at your earliest convenience.

I look forward to hearing from you with a proposed date.
