Dear Dr Pieterse

**RE: REQUEST FOR FEEDBACK ON BCMM ELECTRICITY & ENERGY BUSINESS
TURNAROUND STRATEGY**

Noting that the Buffalo City Metropolitan Municipality submitted its Municipal Electricity & Energy Business Turnaround Strategy (2024 – 2027) to the National Treasury in October 2024, which was found to be not fully compliant. Further noting that the Buffalo City Metropolitan Municipality allegedly submitted to the National Treasury a revised Electricity & Energy Business Turnaround Strategy in March 2025 with amendments.

As the Democratic Alliance constituency leader for the Buffalo City municipality, I am writing to your office to request, in writing, the following information;

1. Whether the revised turnaround strategy was submitted to the National Treasury by the stipulated submission date.
2. In the event that a revised turnaround strategy was never submitted by Buffalo City Metro, what action has and/or will be taken by the department to ensure that the Municipality complies with the requirements.
3. In the event that a revised turnaround strategy was submitted by Buffalo City Metro, can the department provide me with feedback on the latest turnaround strategy?

I look forward to your correspondence in this regard.
