**Reply:** See attached Annexure.

- ii. **What grading does each station in the province have? (State whether it is a Brigadier or Colonel Station. Please provide a breakdown per station)**

**Reply:** See attached Annexure.

- iii. **Of the stations mentioned, which do not have functional holding cells? (please state the reason why this is)**

**Reply:** See attached Annexure.

- iv. **Of the stations that have functional holding cells, how many cells does each station have? (please state the capacity for the cells)**

**Reply:** See attached Annexure.

- v. **How many people have been allocated to work at each station (please breakdown down staffing components per station e.g. Detectives, Support, Vispol)**

**Reply:** See attached Annexure.

vi. **How many of the allocated positions are vacant at each station (please indicate why each position is vacant and how long they have been vacant)**

**Reply:** See attached Annexure.

vii. **With regards to (vi), when will vacant positions be filled?**

**Reply:** The vacancies will be addressed through the appointment and/or promotion processes, once the post allocation is received from National Head Office. Critical and command vacancies will be prioritised. It remains unclear how many posts will be advertised due to the budgetary constraints on the compensation budget imposed by National Treasury,
