

13 August 2025

Mr Mxolisi Yawa  
Municipal Manager for Buffalo City Metropolitan Municipality  
Buffalo City Metropolitan Municipality  
Eastern Cape

Dear Mr Yawa,

**RE: URGENT INTERVENTION REGARDING THE DILAPIDATED ABLUTION FACILITIES IN WARD 10, EGOLI, MUVHANGO**

I am writing to your office to request your urgent intervention regarding the dilapidated ablution facilities within Ward 10, Egoli, in the informal settlement named Muvhango. The ablution facilities were erected in the 2016/17 financial year at a cost of R229 316 in order to provide basic sanitation and dignity for the people living in the community.

In a recent oversight conducted with numerous Buffalo City Metropolitan Councillors, we discovered that several toilets have been damaged due to vandalism and inadequate security at the ablution facility.

We therefore appeal to your office to urgently intervene in ensuring that the vandalised toilets are repaired, ensuring that the community has access to adequate ablution facilities.

We look forward to hearing from your office with regard to the above-mentioned issue.

Kind Regards,

COUNCILLOR A MAJEKE

DA WHIP
