

357. Hon. D Masoeu (DA) asks the Hon. MEC responsible for CSRT: Mr. J Mbalula.

1. How many underage pregnancy/statutory rape cases were referred to the SAPS by the Department of Health per year in the past five financial years?
2. How many of these cases were (a) investigated, (b) had charges laid, and (c) were successfully prosecuted? Please provide relevant details and outcomes per case.

NO RESPONSE

RESPONSE 06/08/2025

1. There is no database for the SAPS to source the information in this regard as all the cases in possession and dealt with by the Unit were reported directly to the SAPS by the concerned parties not Department of Health.

This office would request that the question be re-routed to the Department of Health to provide the data to allow the SAPS to direct the responses accordingly.
