Dear Sir/Madam

**RE: REQUEST FOR OFFICE SPACE FOR A PARLIAMENTARY CONSTITUENCY
OFFICE AT LEPHALALE DISASTER CENTRE**

The ANC Party Caucus Limpopo: Corporate Services hereby respectfully requests the allocation of office space at the Lephalale Disaster Centre for the establishment of a Parliamentary Constituency Office.

The purpose of the Constituency Office is to strengthen public participation, improve accessibility of parliamentary services to communities, and provide a platform through which residents may raise service delivery concerns and matters requiring government intervention. The office will also assist in facilitating communication between communities, public representatives, and relevant government institutions.

Lephalale remains a strategic area within the district, and the availability of suitable office space at the Disaster Centre would greatly assist in ensuring that constituency services are delivered effectively and efficiently to the people of the area.

We therefore kindly request your favourable consideration of this application and would appreciate an opportunity to engage further on the logistical arrangements and any requirements from the Municipality in this regard.

Your cooperation and support will be highly appreciated.

Yours faithfully

ANC Party Caucus Limpopo
