Dear Hon. Premier Lesufi

QUESTION IN LEGISLATURE: 5. PS071: VISIBLE POLICING RESOURCES AT KEMPTON PARK SAPS

E-mail correspondence dated 2026-09-28 requesting a response to the Question in the Gauteng Legislature by Member M Waters of the Democratic Alliance (DA) has reference.

5.PS071 **With reference to visible policing resources at Kempton Park Police Station, SAPS responds as follows:**

(i) **What is the optimal and actual number of visible policing vehicles allocated to each of the six sectors within the Kempton Park Police Station precinct?**

REPLY: Optimal = 02
Actual = 01

(ii) **How many of the vehicles referred to in the above question are currently operational?**

REPLY: 03 vehicles.

(iii) **What is the prescribed or approved minimum number of sector policing vehicles required for the six sectors within the Kempton Park Police Station precinct?**

REPLY: SAPS National Instruction 3 of 2013 governs the implementation of Sector Policing. The Instruction clearly states that stations should be divided into no less than two manageable sectors in line with available resources. It further states that the deployment in the demarcated sectors must be based on crime

pattern and threat analysis. A minimum of one 24-hour dedicated vehicle per sector, an ideal of two vehicles per sector if possible.

(iv) **If the station currently has fewer operational sector policing vehicles than the prescribed or approved requirement, what is the current shortfall?**

REPLY: The current shortfall is 03.

(v) **How many complaints, on average, are received by Kempton Park Police Station during a 12-hour shift?**

REPLY: On average, 40 complaints are received during a 12-hour shift.

(vi) **How many of these complaints require the deployment of a sector policing vehicle?**

REPLY: All complaints received require the deployment of a sector vehicle.

(vii) **By what date will Kempton Park Police Station have sufficient operational sector policing vehicles to ensure that all six sectors can be adequately patrolled 24 hours per day?**

REPLY: Vehicles are procured by the Provincial Office and distributed to the stations and the Station Commander has the responsibility to allocate the vehicles according to station operational requirements.

(viii) **What is the optimal and actual number of members allocated to the Visible Policing (VISPOL) component at Kempton Park Police Station?**

REPLY: Optimal = 148
Actual = 143

(ix) **What is the current shortfall in the number of Visible Policing members at Kempton Park Police Station?**

REPLY: The current shortfall is 05.

(x) **By what date will Kempton Park Police Station have the optimal number of Visible Policing members?**

REPLY: It is envisaged that the shortfall at stations will be addressed after completion of basic training of current students during March 2027.
